

## AUTOMATIC CREW SERVE DISPENSER

### How to Delete Order from Queue Wrong Order?

#### Step 1

#### Select the queue icon

This will display all in-process beverage orders.

#### Step 2

#### Select the 'X' to delete

- Order will be flagged to 'Discard' if the cup or beverage has already been dispensed.
- Order will disappear from queue if cup has not yet been dispensed.

#### Step 3

#### Confirm 'Delete'

#### Step 4

#### Select '<' to exit queue screen
